The trumpet and trombone parts feature a "mute staff" that indicates gradual mute transitions.

airy flaps

mp *pp* *mp* *pp*

This technique involves a light, airy articulation produced by a gentle "t" sound, creating a soft, breathy effect on each note.

spiccato (slap with the lips)

sfz *sfz*

Spiccato is a percussive technique where the player "slaps" the lips together to create a strong, accented sound

Air, unpitched without mouthpiece

This effect requires the player to produce an unpitched, airy sound by exhaling and inhaling through the instrument without the mouthpiece.
