Errata for Version 1			
Bar 小节	Instrument 乐器	Issue 问题	Answer 答案
Applies to whole score	All	All <i>fp sub.</i> replaced with <i>fp</i> (as it already implies subito). Also saves space.	I will prefer to keep <i>fp sub</i> as it denotes metrical position of the <i>p</i> . <i>fp</i> has a different treatment to the music. The former is suddenly soft while the latter is a very exaggerated “accent”.
1	Glockenspiel	Ped. redundant? <i>l.v.</i> at end might be better.	I have vibraphone as the instrument here.
11	Cello	Outer desks? <i>Gli altri?</i> No soli proceeds this.	Half forces, div. with rests for 2nd voice is also ok here.
14	Cello	Tutti?	negating “outer desk”
27	Gaohu	4 soli only plays, should <i>gli altri</i> be included?	4 soli hare, should be negated by tutti on m. 29
29	Erhu		yes, negating 4 soli.
63	Yunluo	Should be A $\sharp$ and C $\sharp$?	Yes
13	Timpani	Rhythm	Ok
8	Di Yin Sheng	Slur	Ok
21	Qu Di I	Dynamic	<i>f</i> instead.
57-58	Da Ruan	Hairpin	Ok
73	Gao Hu	* Dynamic?	Should be <i>mf</i>

96	Vibraphone	* Dynamic?	Should be pp
97-98	Cello, Double Bass	Hairpin	missing niente circle.
